

SUPER RESISTANT CONCRETE PUMP HOSE ASSEMBLY

Tube UPE and SBR & NR synthetic rubber

Reinforcement 2~4 layers of steel cord

Cover SBR & NR synthetic rubber and UPE

Application

Apply to construction machinery like pump truck to delivery concrete. Its service life is several times more than average products in the market, and the high saturation characteristic of UPE (Ultra High Molecular Weight Polyethylene Inner Tube) meaning that this product would not react with the alkaline substance in the concrete

Assembly length 3" x 7mts with HD fittings

Type of Coupling HD

Temperature -29°C~ +80°C (-20.2°F~+176°F)
