SUPER RESISTANT CONCRETE PUMP HOSE ASSEMBLY

UPE and SBR & NR synthetic rubber

2~4 layers of etcc' Tube

Reinforcement

SBR & NR synthetic rubber and UPE

Apply to construction machinery like pump truck to delivery concrete. Its service life is several times more than average products in the market, and

Application the high saturation characteristic of UPE (Ultra High Molecular Weight Polyethylene Inner Tube) meaning that this product would not react with the

alkaline substance in the concrete
